Nursery Volunteers Needed

During the Sacrament of Baptism, we - as members and friends of Wilmington Island Presbyterian Church - pledge to "uphold and support" the child being baptized as we remember our own baptisms. One of the ways we can follow through on that pledge is by volunteering in our nursery.

Giving of your time is a wonderful offering to this ministry, and volunteering a couple times a quarter can make a difference for our children and their families!

Sign-up today using the link below.

While **Family Promise** continues to house families in a centralized location (rather than at churches like ours), volunteers are still needed to provide nightly dinners. All meals can be brought to the church and one of our Mission Committee members will deliver them to the downtown location. If you would be interested in helping out you can sign up by using the Meal Train button below. [Please make sure you read all the instructions](#)
