Welcome All – Family, Friends and Visitors! We thank you for worshiping with us this special evening. We trust the Spirit of God will encourage and strengthen you in your devotion to Jesus Christ. If you don't already have a church home, we hope that you will come back and worship with us again.

**Candle Lighting Instructions:** As you entered the Sanctuary, you should have received a candle (please check with the ushers if you did not). Please keep the candle until the time when we share the *Light of Christ* with one another. Light your candle from the person next to you and pass the light to the person on the other side. To keep from dripping wax, please hold the lighted candle upright, and tilt the unlit candle toward the upright flame until it too is lit. Following the singing of "Silent Night," the pastor will hold his candle high; please join him as together we reflect on the power of the Light of Christ. When the service is over, please extinguish your candle and place it in the baskets as you exit the sanctuary.

A special thanks to our guest musicians, Kerri Sellman, Julia Sellman, Joanna Sellman and Emily Calhoun for sharing their musical gifts with us this evening.

Join us for worship on Sunday mornings, either in-person or via Youtube Live, at 10:00 AM. This Sunday there will be a special "Lessons and Carols" service.

There are many Bible studies, mission opportunities and fellowship activities for all ages that will be starting back up in January. To learn more, please check out our web page ([www.wipcsav.org](http://www.wipcsav.org)), "friend" us on Facebook, or contact the church office to be added to our email list.

To make a gift to the church, offering plates will be passed during the Offertory. Or, you may train your phone's camera on the QR code below which will bring you to our church's secure on-line giving portal where credit card payments can be made.
