

**Wilmington
Island
Presbyterian
Church**

Friends,

With Mothers' Day around the corner, and in keeping with my recent theme, a few chuckles to send your way....

Why do mother kangaroos hate rainy days?

Because their kids have to play inside!

What did the mother broom say to the baby broom at bed time?

It's time to go to sweep!

What did momma spider say to her teenaged spider son?

You're spending too much time on the web.

What did the mare say to her foal who stayed up too late?

It's pasture your bedtime.

Why did the baby strawberry cry?

Because her mom was in a jam!

Have a blessed weekend, and I look forward to seeing you Sunday!

Peace,
Andy

Next Sunday, May 18th

MISSION OPPORTUNITY

The Inner City Night Shelter, a long-time mission partner for WIPC, provides hot meals to the homeless in Savannah on a daily basis...and there is always a sandwich included for folks to take with them. Often, though, the Shelter runs out of sandwiches, which are provided by local churches like ours.

If you could help out by making sandwiches, we will get them there! The best ones that are easy to transport and keep fresh are peanut butter & jelly and bologna & cheese (with mustard). Each sandwich should be individually placed in a sandwich bag with all the sandwiches placed back in the loaf wrapper. You can bring them to the refrigerator in the Fellowship Hall any day of the week, and they will be taken to the shelter. This is a great way to care for our neighbors that is well-appreciated!

MISSION UPDATE & CELEBRATION!

We had a successful Nehemiah Action rally on Monday night with Chatham County agreeing to establish a *Task Force* comprised of key stakeholders and a facilitating partner *charged with creating sustainable systems and funding streams to grow and retain a mental health workforce that meets the needs of our growing population!*

Next steps will be:

- Monitoring the Task Force composition
- Staying abreast of its goals and methods of execution
- Tracking, verifying and evaluating its outcomes
- Reporting our findings to the community

But FIRST- Let's CELEBRATE!!!

Come meet our fellow congregation's Network Members as we reflect on and recognize the work well done and build community relationships on May 19th from 7-8 PM
